Profits' Percentage to Charity

The **1st Animal Friendly company in Greece**, next to guardians & to their pets providing quality products & integrated services that offer essential care and well-being to pets.

Proof of our great teamwork? Our already happy customers advertise us to friends!

Our mission and vision

Mission

Providing quality products & innovative services to offer essential care and well-being to pets.

Untying literally the hands of their guardian, by gathering on our website all the information, products and services they need!

Vision

Promote Animal Welfare Education in Greece & abroad. Create a complete network of all the information the pet guardians needs for services and products.

Thus, we help them have more quality and enjoyable time for his family, to which definitely his pet also belongs!

FirstPet

Our mission is to make the "parents" of the pets feel safe and our four-legged friends to live an even more "care-free" life.

Hoolie Dog

The health and well-being of your pet is our first priority.

We help you give your pet the care it deserves, without worrying about the costs and expensive vet bills.

Hoolie Pet Insurance's Ambassador

// Your pet is also your family! So, to ensure it's safety and well being is your responsibility and with Hoolie you can achieve both!

Dimitris Pietris

“ Professionalism, quick response and quality are the words I would use to describe what I experienced from their side.

Georgia Karaiskou

“ Best Pet Insurance Company in Greece! Happy & Honest people with respect on animals and environment.

Snapium Photography

“Hoolie has been the first insurance company in Greece, which expertise is in pet insurance and all their pet services are truly useful. They offer affordable and custom made insurance coverage to each pet owner needs.

Stefanakis A.

“Thanks to the insurance coverage we had, we saved a lot of money on an expensive operation my dog had to undergo. Hoolie allowed us to focus on his recovery and we are so grateful.

Kiki A.

“Modern innovative products, with excellent professionals and immediate response whenever we need them. The solutions they propose satisfy every need by meeting all the financial criteria and all families can be insured.

Harris F.

COMING SOON PROJECTS

Tele-Veterinary Medicine

In emergencies where a guardian can't find his veterinarian, it will be possible for him/her to **consult a veterinarian LIVE** via our website link for first aid instructions and medication, *any time & day of the week 24/7!*

Blood Donation

The act of blood donation remains a vital act that can save the lives of many dogs & cats. Our platform will provide the opportunity to owners who wish to register their pet as a potential blood donor.

*** Priority is given to the needs among our members.**

They need Donors, too!
